KNOWLEDGE DELIVERY SYSTEMS TO OFFER NEW ONLINE PROFESSIONAL DEVELOPMENT COURSES TO NEW JERSEY TEACHERS

New Jersey Educators Can Now Take Online Courses to Fulfill Their Continuing Education (CEU) Requirements

New York, NY (June 18, 2007) – Knowledge Delivery Systems, an award-winning provider of online professional development courses designed for K-12 educators, announced today that it is offering fourteen online professional courses for New Jersey teachers.

Courses cover such pertinent topics as *Setting up a Differentiated Instruction Classroom*, *Creating a Successful Classroom*, and *Developing Student Skills for High Stakes Testing*. These 10-hour courses are available for New Jersey educators of all subjects and grade levels at a cost of only \$60. Teachers who complete a course will earn 10 CEU's towards the 180 CEU's required to renew their teaching certificate. Additional information on these courses can be found at www.kdsi.org/nj.

“KDS has provided high-quality online professional development courses to thousands of educators across the country,” said Tom Gilbert, president and CEO of KDS. “We are thrilled that New Jersey educators will now be able to take advantage of our convenient, high-quality video-based courses to gain their recertification.”

About Knowledge Development Systems

KDS empowers schools worldwide with dynamic online staff development programs accessible on-demand. The platform delivers engaging video-based lectures from nationally renowned educators, providing interactive discussion forums, blogs, note-taking, study guides, and additional educational resources. The built-in Learning Management System furnishes instant accountability through user-tracking, assessment, comprehensive reporting, and exportable aggregate data. Thousands of educators across the US have qualified for salary increases by completing KDS online courses. For more information, please visit www.kdsi.org.
